

March 2021

## ABC CREATE STEAM SHOW & TELL

ABC CREATE is very excited to share that the ABC CREATE STEAM Show & Tell 2021 is coming up soon and that registration is now open!

ABC CREATE is re-imagining its annual STEAM Showcase (typically a one-day conference style event held at Penn State New Kensington) and redesigning it with shorter, online sessions spread out over a 6 week period from April 8 - May 12. The set up is composed of three parts over the 6 weeks:

- ABC CREATE STEAM Show & Tell Kickoff - April 8th
- ABC CREATE STEAM Show & Tell Sessions - April 12th - May 11th
- ABC CREATE STEAM Show & Tell Celebration - May 12th

These sessions are designed to allow you to participate in what works for you. Sessions are created in manageable chunks at time frames that ABC CREATE hopes will work for you. To register for the ABC CREATE STEAM Show & Tell, please click [here](#).

## CHIRP GRANT PROGRAM

The Economic Growth Connection has been engaged by Westmoreland County to administer the COVID-19 Hospitality Industry Recovery Program (CHIRP). Under this program, restaurants, bars, inns and others who have been adversely impacted by the COVID-19 pandemic can apply for grant funding to alleviate revenue losses and pay eligible operating expenses. In Westmoreland County, grants will be awarded up to \$20,000. To learn how to apply online and what documents will need to be submitted, please visit EGC's website [here](#).

## VIRTUAL FORUM MEETING

The Forum is hoping that we will be able to hold in-person Forum meetings again in the near future. Until then, we plan to hold a virtual Forum meeting in the next few weeks. This meeting will be held via Zoom. As soon as there is a set date, we will announce it in a future newsletter. Please look out for an announcement via email from Anthony Princeton, along with the link and details for the Zoom meeting. We hope that everyone is well and we look forward to seeing everyone (virtually) soon!

## CAREER JOURNEYS VIDEO SERIES

The Forum has partnered with the Consortium for Public Education to help create Career Journeys, a video series focused on giving students a chance to explore careers by having informal conversations with people in a wide array of occupations spanning many industries.

To view more Career Journeys videos, along with supplemental materials for educators to help students explore careers, visit the Consortium for Public Education's website [HERE](#).
